Matthews Health Clinic
Volunteers in Medicine

The Mission of the Matthews Health Clinic is to provide quality healthcare to the medically underserved and uninsured families and individuals of Matthews, NC and the surrounding areas of Mecklenburg and Union Counties.

A Night to Benefit the Matthews Health Clinic

Saturday, October 24, 2009

6 p.m. • Levine Senior Center • \$100 per person • Cocktail attire

The Matthews Health Clinic, staffed by volunteer physicians and nurses, has been providing free healthcare to medically underserved and uninsured individuals in the Mecklenburg and Union county area for five years.

During that time, Clinic patient visits have grown at a rate of 20% per year. Due to the current economy, many more individuals are losing their jobs, and consequently, their access to affordable healthcare.

You can help make our community stronger and healthier by attending and supporting the Clinic. The funds received from this event will help maintain and grow the Clinic's services.

The evening will begin with wine and appetizers, followed by dinner.

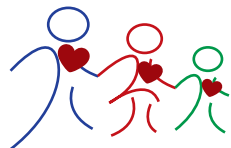

A live auction will be conducted with a select number of items to bid on.

Our Master of Ceremonies will be Larry Sprinkle of WCNC TV36 and our Special Guest will be Brooklyn Decker, Sports Illustrated/International Model.

Levine Senior Center, 1050 DeVore Lane, Matthews, NC, 28105

Located near the intersection of Highway 51 and Northeast Parkway, behind the Sycamore Commons Shopping Center
